

Nominating / Membership Committee Report: 2018 - 2017

1. We recommend the following actions (suggestions) for the future officers
 - a. Be given Memorandum of Understanding to share with administration & that nominations be opened up before SLC (by email)

2. We recommend the following actions (suggestions) for districts & District directors to achieve 100% IATA membership
 - a. To encourage better attendance with new teachers (from industry) that “new teacher certification” be available as a workshop to get required paperwork done. (Pre-service workshop & teacher inductions workshop)
 - b. During SLC, June CDEs, & summer inservice membership forms be available. (Because not all instructors will be present at inservice)
 - c. That Districts & District Directors give a personal invitation to new potential IATA members and help line out arrangements to attend summer inservice.
 - d. That new members to IATA have registration costs waived after paying their dues for summer inservice

3. We are still looking for a new CTEI Representative. There are a few people interested but nothing solid.
