

IATA UPDATE

JULY 2018

MEET OUR PROGRAM MANAGER!

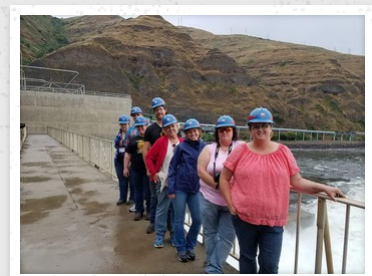

My name is Lucas Barnett and I am the new Program Quality Manager for Agriculture, Food, and Natural Resources with ICTE. I grew up in Copperas Cove, Texas. My dad was an Ag Science teacher for over 30 years and my mom was an elementary teacher for approximately the same amount of time. During my FFA career I held multiple offices on the chapter, district, and area levels. I graduated from Tarleton State University in Stephenville, TX with a B.S. degree in Animal Industries. While attending TSU I was a part of the Alpha Gamma Rho fraternity and was on the 2009 TSU livestock judging team. From there I attended Angelo State University and received my M.S. degree in Animal Science. I got married in 2012 and I have a son that will turn 4 in August.
