RUN FOR IATA OFFICE!

We are looking for IATA members to run for IATA President-Elect and Secretary-Elect. Please take a look at the officer duties and MOU on our website at <http://theiata.com/officers/>. We look forward to working with a great team next year and hope several of you run for office. Thank you!

IQPS PANEL: MYTH VS. REALITY

We are going to have a panel discussion on the Idaho Quality Program Standards. This is geared towards clearing up miss understandings or anything that may be unclear about IQPS. This will be time to ask people who have participated in the IQPS process questions about the process and what it has done for their programs. We will also have Amy Lorenzo from the state CTE department participating in the discussion. They will compare large schools vs. small schools, problems that arose during the process and concerns that should be addressed.

WE LOOK FORWARD TO SEEING YOU AT IN-SERVICE!

If you have any questions about summer in-service please contact Sue Poland and complaints can be submitted to Tyler Johnson. Thank you all and have a great week!
