Old Business:

1. Approval of Minutes

New Business:

***Note: Be sure to include an action items list with who from your committee will be responsible for motions/activities and committee business.***

1. Submitted motion by Nicole Lebsack: I move that the CDE committee create a CDE Revisions Procedure Manual to be presented for review at the next annual CDE committee meeting.
  - a. Rational: Currently there is a high percentage of IATA members who are under 10 years experience, with revisions occurring every 5 years a lot of the teachers don't know the process or how revisions are done. This will be a guide to help them understand. Also, when the next round of revisions come up this guide can be used to make the process more seamless and avoid issues that have been a problem in the past.
2. Submitted recommendation: The year prior to CDE revisions have a 2 hour workshop for the CDE revision committee that walks the individuals through the steps of the process and how edits and changes will be made.
3. Submitted recommendation by Cody Porath: Change Conduct of Meeting sample card to not include Point of Order and look at wording of debate on the scorecard.
4. Submitted recommendation by Cody Porath: Clear up the use of outside materials for sections C and D of the Ag sales contest.

5. Submitted recommendation by Val Johnson: Please make sure there are no cell phones in the Parli Pro holding room. Last year one of the teams was texting while in the room and no one did anything about it.
6. Submitted recommendation by Dawn Holmes: The CDE rules for floriculture states that "The contents of the exam will come from the previous five (5) years of General Knowledge Exams from the National FFA Floriculture Career Development Event." I thought this year at Twin Falls would include 2017 because the National Website had the test for about two weeks prior to SLC. I think we need to be more clear on those five years.
7. Submitted recommendation by Cody Porath: In the food science CDE Aroma section replace Pine, Menthol, and Lilac with Apple, Watermelon, and Coffee.
8. Submitted recommendation: Make changes to the Forestry CDE Timber Cruising scorecard. Example scorecard with recommended changes provided.
9. Submitted recommendation by Nicole Lebsack: Can we have a published document that identifies who the CDE Superintendent/Chair is of each CDE and their email? I receive a lot of questions through the website that are specifically about CDE state events. Most of the time I don't know the answer and make a guess at who they can contact.
- 10. Complete the provided budget sheet to be submitted to the Audit and Budget Chair (Tyler Johnson) immediately following the 1st committee session.**
