 - Robi Salisbury

- Katie Cooper
- Add category: Mining
 - Trent Van Leuven
- Emily Fisher moved to accept all changes made to the Teacher Toolbox.
- Zach Putzier seconded the motion.
- Vote passes.

New Business

- Dr. Smith has a grad student who will focus on curriculum and instruction who could create a curriculum repository.
 - Emily Fisher moves that we have a shared Idaho curriculum drive/platform curated by the University of Idaho on a trial basis.
 - Blaine Campbell seconds.
 - Discussion
 - Longevity of the project and continued maintenance is a concern if this is going to be run by a grad student. Or will a stipend need to be paid in the future for someone to maintain it. The consensus was to see how it went for a year with a grad student and determine function later.
 - Organization was discussed
 - Organized by standards
 - Cleaning out the old stuff
 - Standards and curriculum guides from the university did not align but new material would.
 - Motion passes.
- Meeting for Middle School Curriculum during the committee time tomorrow.

2021-2022 Chair: Trish Stokes

Blaine Campbell nominated

Tom Woodland seconded nomination

Motion passes

Tuesday during committee time, the subcommittee lead by Josh Evans continued their 9:00 meeting and worked on what could be taught at the 7th/8th grade level and who would work on organizing standards/curriculum for those units.

Units discussed included:

FFA
SAE
Soil
Ag History
Food Sci
ENR
Animal
Plant
Ag Mech

The final units agreed on and the instructors who will be responsible are:

Plant and Soil - Open
Animal Science
Careers
Food Sci
Leadership
Ag Mech
ENR
Farm to Fork
Ag Literacy

MORE SPECIFICS ON THIS PORTION STILL COMING...
