6. CTE-Key priorities of the IATA and plan of action to move forward for the 2019-2020 year.
7. Submitted by Travis Edwards: On June 13, 2019 the Career Technical Educators of Idaho (CTEI) board drafted two resolutions to deliver to Dwight Johnson. Resolution I addresses some issues with TSAs. Resolution II addresses the state transition plan for Perkins V that excludes cluster programs from receiving Perkins funding. The CTEI board is asking each program area to consider endorsing the resolutions in order to give educators a stronger, more unified

voice in the state office of career technical education. The board also wants to collect signatures from teachers who wish to support the resolutions.

The CTEI board's plan is to deliver the resolutions to Dwight on Monday, June 16, 2019. Once Dwight has received them, I will present the resolutions in my CTEI report Tuesday, but I believe that any action taken by IATA should come through the legislative committee. I'm emailing copies of the resolutions to IATA president, president-elect, secretary, and legislative liaisons. I will be happy to meet with the legislative committee at in-service to answer any questions they might have. Please don't make the resolutions public until I receive word that Dwight has received them. Thank you.
