6. Presented by Nicole Lebsack: I request that the public relations meeting develop a plan for selecting a chair for Team Ag Ed committee and IATA representation.

Motion to recommend to the IATA board that they appoint two representatives to Team Ag Ed with the purpose of requesting a meeting of reorganization and election of new chair. Motion by Shawn. 2nd by Rick. Motion carries.

Rational: Team Ag Ed is composed of individuals from IATA, CTE, Universities, FFA, FFA Foundation, Alumni, and industry. These individuals help develop goals for Agricultural Education and where to focus on improvement efforts. Currently, Lucas Barnett serves as chair. This could potentially be an issue as a government employee when he has to address CTE or for advocacy issues with legislature because he is talking to his boss. IATA also need continuity of the position. Sending a different IATA officer each year leads to disconnect between the committee and IATA because they are not there long enough to have follow through or a clear understanding of what is going on.

Questions to focus on: Who should chair the committee? How long? Should IATA have an officer position who is a representative to this committee? If so, how long should term limits be? How would this person be selected?

7. **Complete the provided budget sheet to be submitted to the Audit and Budget Chair (Danielle Reynolds) immediately following the 1st committee session.**
