a. Award Application

- i. How do we insure that records match the application (some application are good with no records to back them up)
- ii. Should single entry proficiency applications always be “Gold/Winner”?
- iii. Is it important that students complete applications/books? How much “guidance” should be given?

b. State Degree

- i. How are decisions made for requirement changes (we have had significant changes over the past 3years) Do all decisions come before IATA? Is it fair for kids to have new requirements pop up when they have been planning for 4 years?
- ii. Are record books about “writing” like apps or more for records.
- iii. How come writing sections like outcomes and skills do not transfer to the application from the record book?
- iv. Why is there reducancey in the recordbook especially in the areas of the skills, scope, and the plan?

4. Item from Mike T.-With the push from nationals to have every kids project fall into a proficiency application award area should we create our own guidelines for Idaho FFA State Degree Candidates?
5. From Cody Porath-National Proficiency award areas descriptions in the area of Food Processing have made significant changes and limited some students with placement or entrepreneurship projects in the area of Food Processing. What is the basis for these changes
6. Create meeting minutes using the google document shared with the committee chair.
7. Elect 2021-2022 Chair
